Dear Jim:

Thanks very much for your nice letter of response. I am, indeed, delighted that you are trying to arrange to take over our aborted real estate project for Dairymen's. Please let me know if there is any material you could use that we should have in our files, as I would be pleased to make a search for you.

I'll await word from you whether your people can become involved and would be pleased to see your processors and meet with whomever may be involved.

Thanks very much for all your help.

Kindest regards,

Arthur A. Nolan, Jr.
Chairman
