Dear Jim:

I am looking forward to seeing you in Dallas at our AREUEA session on computer applications for real estate analysis. For your information, we will be located in the Convention Center in Room N217 which has a seating capacity of 115. Our time and date is 10:30 a.m. on Sunday, December 28, 1975. We will have a head table with one microphone, and hopefully a large and inspired audience, plus speakers, discussants, and session chairman.

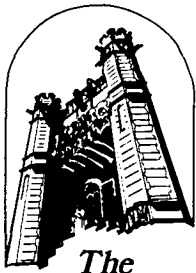

You have, hopefully, received papers from our four paper presenters. Please let me know immediately if you have not. So far, I have received a paper only from Paul Wendt at Georgia.

Have a Merry Christmas and enjoyable holiday season. See you in Dallas.

Sincerely,

*Steve*
